

Mevesi Establishes Strategic Partnership with QS/1

Business Intelligence Provider Integrates with Leading Pharmacy Management System

FOR IMMEDIATE RELEASE

Orlando, FL, December 7, 2012 – Mevesi, Inc. today announced that it has formed a partnership with QS/1, a healthcare automation solutions provider.

Mevesi has integrated its business intelligence solution with QS/1's Pharmacy Management System. With this integration, QS/1 customers are able to have enhanced analysis of their data in an easy-to-understand format, as well as rapid reporting. QS/1 will alert its customers that they can now use Mevesi to help improve their business.

"This partnership will strengthen our presence in the industry and enables us to offer our suite of products to QS/1's customer base. We look forward to working with such a well-established organization," said Omar Sosa, President of Mevesi.

"We are pleased to partner with a company like Mevesi that understands our commitment to offering the most advanced technology for our customers to efficiently run their businesses," said Tammy Devine, President of QS/1.

About Mevesi, Inc.

Mevesi is the leading business intelligence service provider for independent, small chain, and specialty pharmacies. This affordable, powerful and flexible business software provides insight to pharmacies faster and easier than ever before, enabling pharmacies to make more accurate business decisions by providing revenue, expense and volume dashboards, key performance indicators, and drug, payer and market scorecards. Mevesi turns data into a powerful asset that provides pharmacy owners and managers with the ability to make data driven decisions every day.
