

Mevesi Now in Partnership with EPIC Pharmacies
Business Intelligence Provider Collaborates with Major Buying Group

FOR IMMEDIATE RELEASE

Orlando, FL, November 26, 2012 – Mevesi, Inc. has signed a partnership with the buying group EPIC Pharmacies.

EPIC Pharmacies' members can use the Mevesi Rx business intelligence solution at a preferred rate. Utilizing Mevesi business intelligence provides a competitive advantage for EPIC member pharmacies, as they can quickly analyze their data, the first step in improving financial performance.

"In today's environment, pharmacies need sophisticated tools to identify new business opportunities. They also need to be able to measure performance and analyze their business without taking too much time from their day. Mevesi is pleased to offer EPIC Pharmacies' members a way to easily improve their business," said Omar Sosa, President of Mevesi.

"Providing our members access to innovative technology is crucial to our commitment to keep independent pharmacy alive," said Angelo Voxakis, President/CEO of EPIC Pharmacies. "I've been an independent pharmacist since 1989, and know the value of changing with the times.

About Mevesi, Inc.

Mevesi is the leading business intelligence service provider for independent, small chain, and specialty pharmacies. This affordable, powerful and flexible business software provides insight to pharmacies faster and easier than ever before, enabling pharmacies to make more accurate business decisions by providing revenue, expense and volume dashboards, key performance indicators, and drug, payer and market scorecards. Mevesi turns data into a powerful asset that provides pharmacy owners and managers with the ability to make data driven decisions every day.
